To whom it may concern

As the leading gay website in Africa, we had to choose the correct sales team to reflect our values and respect our readers' unique needs.

Internet Ad Sales fills this need in every respect. Delivering consistent, professional service. We entrust Internet Ad Sales with the generation of substantial income for our publication. Internet Ad Sales brings the advertisers closer to our readers than any other online sales team, by understanding our needs and our readers' unique requirements.

After 4 years with Internet Ad Sales we envisage a long and mutually beneficial relationship. We simply won't use anyone else!

Yours faithfully
